→ cultural enterprise and entrepreneurship  
→ diversity and mutual respect

You are required to:

→ Treat everyone with respect and courtesy and without bullying and/or harassment and/or discrimination.  
→ Respect, support and engage with the collaborative nature of the practice-based ensemble learning environment.  
→ Respect, support and engage with your own practice, be it professional and/or creative, as well as the practice of others, including preparatory work for collaborative or production activities.  
→ Maintain professional standards of communication and behaviour and be familiar and comply with all relevant NIDA policies.  
→ When engaged in NIDA-related activity, both onsite and offsite, behave in a way that upholds NIDA values and the integrity and the good reputation of NIDA.  
→ Disclose and take reasonable steps to avoid any conflict of interest (real or apparent) in connection with your employment/enrolment.  
→ Respect the privacy of others in the NIDA community and maintain an appropriate level of confidentiality when dealing with any sensitive information.  
→ Take reasonable care for the health and safety of yourself and others during NIDA activities and cooperate with NIDA so far as reasonably practicable, to enable compliance with WHS legislation.

→ Comply with any lawful and reasonable direction given by someone in NIDA.  
→ Comply with all applicable laws and any instrument made under such laws.
ENROLMENT

NEW STUDENTS AND CONTINUING STUDENTS

You must:

→ If applicable, terminate any agreement you have for representation by an agent; you may choose to resume this arrangement at the end of your course.
→ Accept your enrolment offer and the Student Code of Conduct by the specified date.
→ Return the Health Declaration by the specified date (new students only).
→ Pay your tuition fees by the specified date.
→ If you are an international student, make arrangements for visa issue and obtain Overseas Student Health Cover (OSHC) prior to commencing at NIDA.

HEALTH DECLARATION

New students are asked to complete a Health Declaration, which is forwarded to successful applicants with the offer of enrolment. Completion of this questionnaire assists NIDA in its duty of care to students.

NEW STUDENTS

Successful applicants are required to accept their offer by the date specified on their offer. Only in the most exceptional circumstances will a place be held for late acceptance. The demand for places at NIDA is such that offers of enrolment not accepted within the specified time are likely to be withdrawn and places offered to other applicants. Deferral of a place is not permitted. Successful applicants unable to take up places must re-apply for admission the following year. There is no guarantee of re-admission.

There is provision for incoming students to apply for credit transfer for studies previously completed and recognition of prior learning. Applications must be received prior to commencement of teaching. Refer to the NIDA website for the Credit Transfer Policy and related application form.

International students must provide evidence of their student visa, evidence of Overseas Student Health Cover (OSHC) for the period of study at NIDA and passport number to Learning and Teaching.

CONTINUING STUDENTS

Students who have successfully fulfilled all the requirements of their year or semester (as applicable) of the course, as determined by the Academic Board, are required to confirm their continuation of enrolment in the subsequent year or semester (as applicable) of their course by a specified date and through the payment of tuition fees by the due date. If a student fails to re-enroll in accordance with the specified enrolment procedures, he or she will be considered to have relinquished his or her offer of re-enrolment.

CHANGING ENROLMENT STATUS

DEFERRAL

Enrolled students may be permitted to defer their studies under exceptional circumstances. Exceptional circumstances may include:

→ protracted illness
→ family reasons
→ obligations to military or extended jury service.

Application must be made in writing with reasons and accompanying documented evidence to the Head of Department for consideration by the Director, Undergraduate or Graduate Studies, who makes a recommendation to the Director/CEO. Approval for leave of absence can only be granted by the Director/CEO.
CHANGING PERSONAL DETAILS

CHANGE OF NAME

All records held and statements issued by NIDA will be in the name given at the time of first enrolment. If a student (or graduate for purposes of NIDA’s database) wishes to change his or her name to something other than their name at the time of enrolment, photo ID or certified documentation of legal proof of name change must be shown.

Accepted primary documentation: driver’s licence, passport, birth certificate (with photo ID), and marriage certificate, certificate from Registry of Births, Deaths and Marriages. Overseas photo ID cards can be accepted if required information is shown and is clear. Credit cards, Medicare cards, student cards or library cards are not acceptable as primary proof of identity.

In the case of a ‘stage name’, NIDA will record this name in the NIDA database and use it when appropriate but any official NIDA documentation will be in the name provided at enrolment, unless legal proof of name change is provided.

CHANGE OF ADDRESS OR NEXT OF KIN

Learning and Teaching must be notified in writing, as soon as possible, of any change of address while at NIDA. Failure to do so may lead to important correspondence (including results of assessment) being delayed in the mail or going astray. NIDA cannot accept any responsibility if official communications fail to reach students who have not given written notice of a change of address.

As per the conditions of their visas international students must notify Learning and Teaching within seven days of changing address. Details of next of kin are to be provided in writing.
PAYMENT OF FEES

TUITION FEES

→ All students at NIDA are required to pay tuition fees.
→ Students can pay tuition fees up-front.
→ Tuition fees must be paid by the due date on the invoice.
→ Eligible students may borrow the full tuition fees through FEE-HELP or pay part of their tuition fees up-front and borrow the remainder through a FEE-HELP loan through the Australian Government’s Higher Education Loan Program (HELP).

CENSUS DATES

The census date is the last day to withdraw from NIDA without incurring a fee liability for relevant period of the course. If a student has paid their fees up-front and withdraws before the census date, they are entitled to a refund of the full amount of tuition fees paid.

The census dates for 2017 are:

→ 21 April 2017 (Master of Fine Arts – full-time programs)
→ 29 March 2017 (Master of Fine Arts – part-time programs)
→ 25 February 2017 (Bachelor of Fine Arts – semester 1)
→ 15 August 2017 (Bachelor of Fine Arts – semester 2).

STATEMENT OF TUITION ASSURANCE EXEMPTION

Under the Higher Education Support Act 2003 (HESA) and the Higher Education Provider Guidelines, approved Higher Education Providers must have arrangements in place to protect students if the Provider is unable to continue to offer a course for any reason, unless the Provider has been exempted from this requirement. As required under 2.5.1.5 of the Higher Education Provider Guidelines of 23 November 2006, NIDA advises that, under section 16–30 (2) of the HESA, NIDA has been granted an exemption from the tuition assurance requirements of HESA. The reason for the exemption is that NIDA is in receipt of funding from the Australian Government.

As NIDA is principally funded by the Australian Government, appropriate transition arrangements would be put in place should it be decided to discontinue a course.
FEE-HELP

FEE-HELP is the Australian Government loan scheme that assists eligible students to pay their tuition fees for eligible courses at approved higher education providers. NIDA is an approved higher education provider.

HOW IT WORKS
The Australian Government pays the amount of a student’s loan directly to NIDA. Students repay their loan through the tax system once their income is above the minimum threshold for compulsory repayment. These loans have a lifetime limit. They also have loan fee of 25% applied to them by the government.

For up to date information ask Learning and Teaching for the FEE-HELP information booklet or go to studyassist.gov.au.

ELIGIBILITY FOR FEE-HELP
You are eligible for a FEE-HELP loan if you are either:

→ an Australian Citizen, or
→ hold a permanent humanitarian visa.

You are NOT eligible for a FEE-HELP loan if you are either:

→ a New Zealand Citizen (see www.studyassist.gov.au for a proposed exception for a specific category of NZ Citizen)
→ an overseas student
→ a permanent resident (other than a holder of a permanent humanitarian visa).

ACCESSING FEE-HELP
→ Complete the application form Request for FEE-HELP Assistance, available from Learning and Teaching.
→ Complete a form authorising NIDA to obtain a Commonwealth Higher Education Student Support Number (CHESSN) for you or to obtain access to your CHESSN.

COMMONWEALTH HIGHER EDUCATION STUDENT SUPPORT NUMBER (CHESSN)
A CHESSN is a unique identifier that will enable NIDA and the Australian Government to manage your FEE-HELP assistance and any other Commonwealth assistance you may receive. You can use your CHESSN to access information on your FEE-HELP balance from studyassist.gov.au.
FINANCIAL SUPPORT

STUDENT BURSARIES

NIDA bursaries are an amount of money given to eligible students to supplement the cost of their living expenses. They are aimed at encouraging and enabling students to devote themselves to their NIDA studies full-time during semester and are made available through the generosity of donors and benefactors.

Important information about the NIDA Bursary System

Bursaries are means tested and are usually allocated as basic level, middle level and maximum level grants. The middle and maximum level amounts may be allocated to those students whose personal, social and economic circumstances justify additional financial support.

Bursary funds are limited and vary from year to year. They are not guaranteed and they will not cover full living costs so we strongly advise all students to secure external financial assistance by undertaking employment during the vacation periods.

It should not be assumed that successful entry into the second and third year of the course implies that a student will continue to receive a bursary for that year.

Bursary recipients are expected to meet the agreed bursary award terms and conditions. Failure to meet the agreed terms and conditions may result in the termination of the bursary.

All fees must be paid and all loans repaid before any bursary is awarded as fees and loans cannot be paid from a bursary.

APPLICATION PROCESS

1: Apply online
Applications for bursaries open early in the academic year and you apply online using the Bursary Application form – late applications will not be considered.

Second and third year students and MFA students have first priority; other students may also apply.

Applications will ask for financial information as bursaries are means tested. You will be asked to provide information about all allowances you receive including Youth Allowance, Austudy or ABSTUDY and any support from family/friends. We expect all students to be honest in their applications.

2: Your application is reviewed
The Bursary committee meets to review the applications and make recommendations.

Guidelines used by the Bursary Committee
The Student Bursary Committee’s recommendations are based on the following guiding principles:

- Honouring the agreed intent of the donor.
- Prioritising second and third year students of the three year undergraduate courses and MFA students.
- Awarding funds that are remaining after the needs of these students are met to first-year student bursary applicants.
- Acknowledging student responsibility for providing accurate and honest application information.
- Providing equity of access to available funding.
- Ensuring structured funding at three levels – basic, middle and maximum.
- Consulting with Heads of Departments regarding suitability of candidates.
- Protecting confidentiality of information.
- Guaranteeing compliance with NIDA Privacy Policy.

3: Notification of the outcome
All students who have submitted a Bursary Application online by the deadline will receive an email notification as to whether or not they have been granted a bursary and, if they have, what amount they will receive.

A link to appeal against the Committee’s recommendation will be included in the email notification.

4: Letter of thanks to donor/benefactor
All bursary recipients must draft a letter of thanks to their donor – payments will not commence until this letter has been received.

Step 5: Receiving bursary payments
Bursary awards are paid directly into the student’s bank account in fortnightly instalments. The application from asks you to provide us with your bank account details.

All bursary payments cease at the end of Semester 2/Term 2, including those awarded to MFA students. For those students required to work on the Directors’ Productions as part of their course, bursary payments will continue to the end of the production season. Students who volunteer to work on these productions are not entitled to additional bursary payments.
STUDENT LOANS

Short term loans of up to $100 are available for students in case of emergencies. Loans must be repaid within one month.

NIDA is not able to provide long-term loans, unless there are very exceptional circumstances.

Students apply for a short-term loan using the online form available on myNIDA or the website. Applications should be made at least 24 hours in advance of when the funds are required. Students may not request a second loan until the first loan has been repaid.

Students who are in receipt of a NIDA bursary will have the amount of their loan re-payment automatically deducted from this income should the loan not be re-paid by the due date.
AWARDS

Each year there are some special awards available for students. The application process is different for each one and the specific details will be emailed to eligible students when the application process opens.

NIDA Learning and Teaching is on the ground floor. Office hours are 8.30am–5pm, Monday–Friday. Students can also make an appointment through Reception to meet with the Director, Learning and Teaching, Manager, Learning, Teaching and Quality Assurance or a member of the Learning and Teaching team.
STUDYING AT NIDA

ACADEMIC WRITING – DIAGNOSTIC ENGLISH LANGUAGE NEEDS ASSESSMENT (DELNA)
All students enrolling in the undergraduate courses will be required to undertake a Diagnostic English Language Needs Assessment (DELNA) online during the orientation period. Some students will be required to undertake a follow-up written test to further assess their skills. The purpose of this testing is to identify students who would benefit from support to further develop their writing skills prior to these being tested through written assignments and assessments. NIDA, through its relationship with UNSW, offers academic writing support to students requiring assistance.

ATTENDANCE

→ Students are required to attend all timetabled classes and rehearsals.
→ Students are expected to meet the requirements of the performing arts profession, including being on time and, for some courses, signing in on arrival at reception as required. There are two scanners at reception for this purpose.
→ Students attending dental and medical appointments should advise their Head of Department at least the day prior to their appointment.
→ Students expecting to be late or absent should email education@nida.edu.au or call NIDA and speak to the Learning and Teaching team advising when they will be in. Learning and Teaching will contact the relevant HoDs and advise them of the student’s absence or late arrival and expected arrival time.
→ Any student who is consistently late or absent without a satisfactory reason will be referred to the Head of Department or to the Director/CEO and may be subject to the Misconduct Procedures.

COMPUTERS – STUDENT-OWNED

It is recommended that students have a laptop computer or a MacBook with the minimum specifications listed below to access the majority of IT systems and services including myNIDA and iWire (wireless).
Alternatively, it is recommended that students have off-campus access to appropriate computer resources. Computers are available in the Library and computer multimedia-lab during open hours.

The recommended equipment is a laptop (running Win 7 or higher) or a MacBook (running OSX 10.8 or higher) with a minimum of 2GHZ Core i5 processor, 8 GB RAM and DVD burner. For Design students and optional for other students: 1GB graphics card, 16GB RAM, SSD (Solid State Hard Drive).
Devices that are less than three years old with wireless facility that complies with 802.11a/b/g/n WPA2 enterprise security can access the NIDA wireless network (iWIRE).
For file transfers and data backup, a 500GB hard drive or higher and an 8GB USB stick are also recommended.
Legacy operating systems such as Windows 98, Windows 2000 and Mac OS 8.x may work with iWIRE but are not supported.
It is mandatory to have authentic anti-virus software on all personal laptops that connect to the wireless network.

COPYRIGHT – USE OF MATERIAL SUBJECT TO COPYRIGHT

NIDA has the right to document all NIDA productions and teaching programs and to use this material as it sees fit.
Use of any NIDA material (such as photographs, teaching material, video footage, and music) by any person or entity outside NIDA must be approved through Learning and Teaching and granted a written Permissions Agreement.

MATERIAL FOR WHICH NIDA DOES NOT OWN THE RIGHTS

Use of any material in any NIDA production or publication for which NIDA may not own rights must be researched by the relevant staff member or student. Information for seeking permission to use the relevant material must be provided to the Producer, NIDA Theatres or Learning and Teaching with sufficient time prior to the production or publication.

The Copyright Act 1968 (Cth) governs the circumstances under which printed and audio-visual material may be reproduced for the purposes of teaching. Works which were published, broadcast or performed in the author’s lifetime until 70 years after his/her death are protected by copyright. If not published, broadcast or performed in his/her lifetime, then copyright lasts for a period of 70 years from the date of the first performance, publication or broadcast.
Copyright can also reside in a translation or adaptation, or even in the printed form of the published work itself. Please check with the Librarian to be sure of the copyright status of an item before proceeding to photocopy.

PHOTOCOPYING LIMITATIONS ON COPYRIGHT MATERIAL

For printed material which is protected by copyright, the following photocopy limitations apply regardless of whether one copy is required for personal use or multiple copies for students for teaching purposes.
You may copy:

→ one article from a periodical, (or more if all the articles are on the same subject) and/or

→ 10% of a book (or one chapter even if that chapter is greater in length than 10% of the total pages in the book).

If you wish to utilise more than these amounts from a published work, you must not make a photocopy, but must purchase the published work. If, however, the published work is not available for purchase within a reasonable time or at an ordinary commercial price, then you may copy the entire work.

Within a reasonable time is regarded as six months for a textbook, 30 days for other books. Ordinary commercial price means that you should be able to source it from local stock and not be obliged to import it by air from overseas.

You may also copy an entire work if it is not published separately (e.g. a play only available in a collection of plays).

Before photocopying more of a copyright protected, published work than you are normally entitled, you must check with the Librarian who will ascertain whether the item is:

→ in print

→ published separately

→ available for purchase within the required time (make sure you allow more than a month before the item is required).

MULTIPLE COPIES

With respect to multiple copies of the same item, NIDA pays a fee to the Copyright Agency Limited which collects copyright royalties on behalf of authors. Under this licence, NIDA can make multiple copies for teaching purposes of those items which can be legally copied in accordance with the above provisions.

AUDIO-VISUAL COPYRIGHT

NIDA also has a licence with Screenrights, which permits NIDA to make copies of audio-visual material, in particular radio and television programs, but not commercially available audio or video tape.

COURSE PROGRESS

NIDA has intervention procedures in place to support students who are at risk of failing to achieve satisfactory course progress. These students are provided with advice and assistance to improve their performance and results.

Students who are at risk of not making satisfactory progress are identified by the relevant teaching staff and asked to meet with the teaching staff to discuss the remedial action that may be taken and to develop a Performance Management Plan (PMP). The Performance Management Plan identifies the key areas for improvement and recommends specific improvement strategies as well as ongoing review dates.

PERFORMANCE MANAGEMENT PLAN (PMP)

The Performance Management Plan may include one or more of the following depending on the student’s circumstances:

→ meetings with the relevant teaching staff

→ specific activities designed to improve areas of learning needs

→ additional work or assessment tasks

→ support from the UNSW Counselling Services

→ support from the UNSW Learning Centre.

EMAIL ADDRESSES

Following enrolment, all students are provided with a NIDA email address in the format of firstname.surname@student.nida.edu.au. Students are provided with an individual password to access the student email and myNIDA.

Student email accounts are hosted by Google by way of NIDA's Google Apps for Education service agreement. This service agreement also allows students to access Google's word-processing, spreadsheet, presentation, video-conferencing and digital storage tools. Further information about the Google Apps for Education Terms of Service is available here: gsuite.google.com/terms/education_terms.html

Students must regularly check their student email for notices or set up automatic forwarding to their personal email addresses for any emails sent to their NIDA email.
EXTENSIONS FOR ASSIGNMENTS
Students who require an extension to a due date of an assignment must apply for the extension prior to the due date. In fairness to those students who do manage to complete their assignments in good time, extensions to deadlines will normally not be permitted. If an extension is sought, a formal application should be submitted in writing to the Head of Department and supported by any relevant documentation. In the case of Performance Practices (common subjects), students are required to submit all requests for assessment extensions online on myNIDA as early as possible and no later than the set deadline for submission.

Refer to the Late Submission of Assessment Policy available on the NIDA website and through myNIDA.

GRADUATION CEREMONY
In the first six months after the completion of studies, graduating students are invited to attend the NIDA Graduation Ceremony, which is usually held on a Sunday, to enable all students with work commitments to attend.

Those unable to attend the Graduation Ceremony graduate in absentia, in which case the testamur, academic transcript and Australian Higher Education Graduate Statement will be sent by registered mail. NIDA will send all correspondence to the most recent postal address provided by graduating students.

GRIEVANCES/COMPLAINTS
Students who have a concern or complaint should, in the first instance, discuss this with their Head of Department.

Refer also to the non-academic Grievance Policy and Procedures and the Academic Grievance Policy and Procedures available on the NIDA website and through myNIDA.

Grievance Contact Officers are Melissa Laird or Kylie Black, Learning and Teaching, Di Drew, Head, Screen and Marcelo Zavala-Baeza, Head, Properties and Objects.

INDEBTED TO NIDA OR UNSW
The Director, Learning and Teaching after proper notice, may withhold assessment results, prohibit re-enrolment or refuse graduation to any student who is in debt to NIDA and/or UNSW.

Indebtedness includes failure to pay any fee, fine, loan or other charge and failure to return all library books and other equipment.

Under special circumstances, the Director/CEO may waive or defer these matters.

PLAGIARISM
Plagiarism is the use of words or ideas of others without due reference. Plagiarism is a type of intellectual theft.

UNSW Learning Centre’s Plagiarism and Academic Integrity website www.lc.unsw.edu.au/plagiarism is a useful resource for explaining what constitutes plagiarism, and includes helpful advice about how to avoid it. Refer to the NIDA website and myNIDA for NIDA’s Plagiarism Policy and Procedures.

LEARNING CENTRE
UNSW has a Learning Centre, which provides help for students who are having either language or other difficulties with their academic work.

A consultant from the Learning Centre is available at NIDA to provide one-on-one advice on preparing written assignments. To make an appointment please contact the Coordinator, Learning and Teaching. To get the most out of your session, bring an example of your written work (preferably a current piece of work).

For more information on the Learning Centre and its benefits, please visit www.lc.unsw.edu.au or email learningcentre@unsw.edu.au.
MEDIA AND PUBLICITY

Publicity and media play an important role in building NIDA's public profile in the arts and entertainment industries as well as in the broader community.

Students may be contacted by staff members about opportunities to be interviewed, photographed or filmed by media. Media opportunities may involve interviews (in person, over the phone or via email).

Students may also be asked to provide brief biographical and personal information about themselves for media and publicity purposes.

Students must not give interviews to the media – including online, print, radio and television – without first seeking permission. If approached for interview, photo or filming requests, students should contact our Publicity and Communications Executive, Yvonne Sewankambo on 02 9697 7519 or at yvonne.sewankambo@nida.edu.au as soon as possible.

In any interaction with the media, students must conduct themselves responsibly and in a way that will not bring NIDA, its staff or other students into disrepute.

If students have further questions about the publicity process or do not wish to participate in media opportunities, they should contact their Head of Department or the Publicity and Communications Executive.

myNIDA

myNIDA is the online portal by which you can access subject information and resources to support their learning and study. It also provides a range of interactive tools to facilitate communication, collaborative learning, assessment, and feedback between students, teachers and peers. All NIDA students are provided with a myNIDA login and orientation to the system on commencement of their studies at NIDA.

Technical assistance can be accessed by emailing learn.support@nida.edu.au.

NIDA HARVARD REFERENCING GUIDE

NIDA students must use NIDA's Harvard Referencing Guide when referencing or referring to the work of others in assignments. This guide is in the form of an Interactive PDF that can be shared online or printed.

The link to our referencing page on myNIDA: http://my.nida.edu.au/course/view.php?id=11&section=2

And the direct link to the interactive PDF: http://my.nida.edu.au/mod/resource/view.php?id=14289

NURA GILI CENTRE FOR INDIGENOUS PROGRAMS

Nura Gili provides support and information for Aboriginal and Torres Strait Islander students at UNSW. NIDA students are able to access the support provided by Nura Gili. Nura Gili Centre for Indigenous Programs is located at UNSW at Balnaves Place, Level LG, Electrical Engineering Building G17. Visit nuragili.unsw.edu.au.

SOCIAL MEDIA

What you do online matters. Always remember the three R's of social media: representation, respect and responsibility.

NIDA uses social media to provide information and encourage interaction with external followers, staff and students. When using social channels, NIDA requests the following rules of engagement are adhered to:

→ Only disclose and discuss information about NIDA or its activities that is not confidential and is publicly available.
→ Take reasonable steps to ensure that content published is accurate and not misleading.
→ When making a statement on a matter of public interest, expressly state that the views expressed are those of the student and not those of NIDA (unless they are officially authorised by NIDA).
→ Ensure that the use, including content published, complies with all relevant regulation and policies of NIDA.
→ Be respectful and courteous in communications.
→ Adhere to the Terms of Use of the relevant social media provider.
→ Comply with the law, including laws about copyright, privacy, defamation, contempt of court, discrimination and harassment.

Inappropriate use of social media can violate privacy and harm the reputations of NIDA, other students and/or staff and as such may be determined as misconduct, resulting in action under NIDA's misconduct procedures.

Students may not use the NIDA logo or NIDA images without permission from the NIDA marketing team.

Students are encouraged to submit photos, videos and stories via the NIDAccommunity social channels as a private message or via email to marketing@nida.edu.au.

If students have further questions about NIDA's social media policy, they should contact their Head of Department or Marketing Manager, Anna Bauer at anna.bauer@nida.edu.au.
LIBRARY HOURS DURING SESSION ARE:

Monday–Thursday: 8.30am–8pm
Friday: 8.30am–6.30pm
Saturday: 11am–2pm

Advance notice is provided for out-of-session opening hours. Opening hours are subject to change at short notice.

RODNEY SEABORN LIBRARY

The Rodney Seaborn Library is a specialist library providing a service for students, graduates and staff of NIDA. Individuals or organisations outside the Institute may access the library by appointment.

The collection is focused on the needs of our BFA, MFA, Vocational Diplomas and Open Studio courses. There are over 35,000 print items in the library of which 20,000 are plays and over 50 journals are accessible. There is a collection of 7,000 videos (mostly DVD), and 1,500 sound recordings as well as extensive online resources.

LIBRARY CARD

Your NIDA card doubles as a library card. Please bring this card with you to the library whenever you wish to borrow. Your card number allows you to log into the catalogue where you can renew borrowed items. Your PIN or password is the last four digits of the card number. You are given the option of changing your PIN to something more secure after you've logged in. These same credentials are used to log in to read e-books via the library catalogue.

LOST ITEMS

Lost items should be reported to the library as soon as possible. The replacement cost plus a processing fee will be charged. Any item more than 30 days overdue will be deemed lost. These charges must be paid before borrowing recommences. You may not graduate or re-enrol if library charges are unpaid or books are not returned at the end of the year.

UNSFW LIBRARY

As a student you can access the UNSW Library. This library is on the upper campus and adjacent to the Chancellery and the Arts and Commerce Buildings. The library provides a reference and lending service for staff and students, and is open throughout the year. Hours of opening vary during the course of the academic year. Please check the website for details. Staff and students normally use a machine-readable identification card for borrowing. New students will need to complete an application form at the Circulation Office of the UNSW Library, showing their NIDA student card and proof of address (either on your phone bill or on a photo ID) as identification. Your library card will then be available for collection at the Circulation Desk of the UNSW Library one to five working days after lodgement of the application. Present your student card as identification when collecting your library card.

Continuing students are required to have their card updated at the beginning of each year, by presenting their library card, photo ID, and validated NIDA student card.

Students are permitted to borrow up to a total of 30 books from any UNSW campus library, including UNSW Art and Design in Paddington. NIDA students have access to online databases within UNSW libraries, but do not have access to their e-books. The UNSW Library card is used for borrowing from UNSW Art and Design and any UNSW intercampus library. Please check for details at this link.

FACILITIES

Computers, audio-visual equipment and charging pods, are provided for use within the library. Printing and photocopying facilities are provided at a small charge, starting at 10c per page for A4. Three meeting rooms equipped with AV facilities are available for use and can be accessed after hours via the level 2 corridor outside the library.

The library has a standalone self-checkout machine where you can borrow items automatically without needing to attend to the circulation desk. The machine also allows you to renew items, and check what you currently have out on loan.

BORROWING

As a student you may borrow 20 books for a period of two weeks at a time. These items may be borrowed for a further loan period if not required by another user. You may borrow three videos and three CDs for a period of seven days at a time. All items may be reserved if out on loan. Items may be renewed for a maximum of four times before they are required to be returned to the library. You will be prohibited from any further borrowing if you have overdue items out on loan. Overdue items will need to be returned or renewed before you are able to recommence borrowing. Reference books and journals may not be taken out of the library.

ONLINE RESOURCES

The library holds a significant collection of online resources and specialist databases, including Drama Online, Digital Theatre Plus, australianplays.org, and Berg Fashion Library. E-books are available to be read and downloaded from home, through the library catalogue. We encourage students to join the State Library of NSW to access academic databases, such as JSTOR, from home for free. Relevant online resources to NIDA students are listed in the Rodney Seaborn Library page of myNIDA along with their access requirements and passwords.

You will be given a one-hour tutorial showing you how you access and use online resources sometime in first semester in addition to your orientation tour of the library in the first week of session.

The library administers DVC, an online video streaming service which is accessible to students within NIDA.

NIDA archival videos may be viewed in the library only. Individuals outside the Institute require permission to access these materials.
PHOTOGRAPHY/VIDEO AT NIDA

PHOTOS TAKEN BY NIDA

NIDA productions and activities are photographed and recorded for publicity, marketing and archival purposes. NIDA is the sole copyright owner of all commissioned images.

Video recordings of productions or student activities can embody the work of a number of students and professional artists, and as such NIDA does not release these recordings for students’ use or copying, and recordings may not be released for viewing outside NIDA.

The recordings are kept for archival purposes and may be viewed in the NIDA library during library hours. In all other instances relating to individual student performances, unless a staff member makes a specific request to the Technical Manager, a recording service will not be available.

PHOTOS TAKEN BY STUDENTS

Students are permitted to take photographs of their own work in NIDA projects and productions, subject to prior written permission from anyone whose image or work appears in the photograph.

These photos can only be used for portfolio and personal purposes and are not for general publication.

PROFESSIONAL PRACTICE

Creating theatre, other productions and events as well as film and television, is a cooperative, group activity involving artists, technicians, crafts people and managers. The work of each group significantly influences all other groups. No student works in isolation, hence all students must acquire a high degree of professional discipline, preparation, punctuality, reliability, acceptance of industry procedures, respect for others and an understanding of the creative process. These professional attitudes are of importance within the arts entertainment industry and affect every aspect of a student’s class work and practical work at NIDA. Failure to adequately comply with these professional practices could result in being suspended from NIDA or failing the course.

PROFESSIONAL WORK BY STUDENTS

Students must receive the written permission of the Director/CEO before accepting any offers of professional theatrical, film, television, radio or photographic engagements.

This policy applies to both semester/term time and holiday periods while a student is currently enrolled at NIDA.

Students are expected not to continue with, or enter into, any agreement with an agent or agents while they are enrolled at NIDA.

During the course of their final year of study, students may request permission from the Director/CEO to apply or to audition for work due to commence after the final day of the teaching year.

Final-year students may also request permission to audition for, and undertake, work that occurs during the NIDA term and holiday periods, provided:

→ The timing of any such engagement occurs during a period when there is no conflict with NIDA coursework.

→ Reasonable steps are taken to ensure that content published is accurate and not misleading.

→ Such an outside engagement does not entail any additional expense for NIDA as a consequence; should additional costs be incurred by NIDA as a result of permission being granted to a student to undertake outside work, such permission shall only be granted if the student’s employer agrees to meet all such costs in full.

→ The absence of the student on an outside engagement does not interfere with the work or activity of other students.

→ Communication is respectful and courteous.

→ The engagement, in NIDA’s opinion, is of particular significance to the artistic and educational development of the student; and NIDA must be convinced that the engagement could not be satisfactorily undertaken by any other member of the profession.

If permission is granted by NIDA for a student to undertake outside work, NIDA will negotiate contractual arrangements on behalf of the student until such time as the student engages the services of an agent. NIDA may, in consultation with the student and the Media Entertainment and Arts Alliance (MEAA), engage the services of an agent or other third party to assist in undertaking such negotiations.

USE OF NIDA PHOTOS

All NIDA-owned photographs remain the property of NIDA and are provided to students and graduates under a non-exclusive licence for private use and/or use in a professional portfolio, subject to compliance with the following conditions:

→ NIDA and the photographer are both credited in accordance with instructions from NIDA Marketing Department, e.g. © NIDA 2016. Photographer: Jo Bloggs (the name of the NIDA photographer is included in the properties of each photo and can be accessed by right clicking on the image file and selecting ‘properties’).

→ Images of other NIDA students, graduates or artists cannot be used without their prior written permission. You cannot ‘photoshop’ other people out of a photo as this represents a breach of the moral rights of the photographer.

→ In order to prevent anyone from unlawfully reproducing NIDA images from a student’s website or social media pages, technical protection measures such as privacy settings must be put in place and only low resolution images are to be used.

Use of NIDA images without permission is a breach of copyright and of the NIDA Student Code of Conduct.

STUDYING AT NIDA
SELF-DEVISED PROJECTS — APPROVAL PROCESS

Students of all courses are encouraged to collaborate to develop their own performance projects outside the formal production program. The NIDA Independent Program includes a festival program of original work by current students in the first half of the second semester.

To be part of the program students must complete an application form showing that they meet the following criteria:

→ At least one person in the group is a NIDA student.
→ The work is original and the group has permission to present it.

Participants will not be entitled to any box office income (this will go towards covering the technical and Front of House costs).

Standard rig in the venue must be used (see NIDA website for details).

The group is entirely responsible for rehearsing and producing its own work. The group must arrange rehearsal space and access to space at NIDA is not guaranteed.

Students must have permission from their Head of Department.

The application deadline will be announced in the first half of semester 1.

Students may also propose to present works in a different format at other times. These proposals should be submitted to the Producer, NIDA Theatres at producer@nida.edu.au and will be assessed on a case by case basis.

TIMETABLES

Timetables are posted on the student pages of myNIDA.

Students are responsible for noting timetable arrangements and any changes. Students should check their timetable on myNIDA daily for class time or room changes.

Teaching staff may also advise students of minor timetable changes.
NIDA PRODUCTIONS

Each year there are a number of student productions at NIDA, ranging from full scale productions to class exercises. These productions have different levels of involvement across courses, different levels of production, marketing support, financial and other resources.

NIDA productions are primarily concerned with the exploration of contemporary performance contexts and the pursuit of artistic excellence. They follow professional procedures involving detailed pre-planning. Plays and projects are chosen with regard to the educational needs of the course and students, as well as supporting infrastructure resources. Public interest is also considered, as plays are presented to the general public. Critics may also be invited.

NIDA productions are education and training exercises. Staff from all courses mentor and supervise their students during the rehearsal and production process and are present during rehearsals and performances.

SELECTING THE CAST AND PRODUCTION STAFFING

Casting of all NIDA undergraduate productions is undertaken following discussions with the director and the Acting staff, with the final decision taken by the Head of Department (Acting).

Casting seeks to balance:

- the educational requirements of the student through the curriculum
- the requirements of the production
- the appropriateness of a particular student for a particular role
- the achievement of a fair and even distribution of roles over the year.

Heads of Departments also approve all production staffing, including Designer, Stage Manager, Lighting Designer, Sound Designer, Deputy Stage Manager, Lighting Operator, Costume and Properties Supervisors, Assistant Director and other staff as appropriate.

COSTUME GUIDELINES FOR CAST AND CREW

- No costume or part thereof may be worn outside the theatre precincts except as directed for purposes of publicity or costume calls.
- All actors are responsible for the care of their costumes, wigs, make-up and personal props in the dressing rooms, and should see that they are cared for in an acceptable manner.
- Costume and dressing staff are not always available for each production and their presence to assist does not release the actor from any responsibility.
- All sets, properties and costumes, that have not been hired or borrowed from elsewhere, are owned by NIDA and remain the property of NIDA; no sets, properties or costumes can be taken away from NIDA, including at the conclusion of the production, without the permission of NIDA through the Head of Department.
- Unless directed otherwise, always change out of costume promptly after a performance or rehearsal, especially before note sessions.
- Any part of a costume worn by actors while eating or drinking should be protected by a dressing gown or some other suitable covering; during a performance, refreshments cannot be obtained from the FOH facility.
- All costumes should be hung on hangers when not being used and not left on the floor or over the backs of chairs.
- Frequently costumes are hired or borrowed from other companies and it is NIDA’s responsibility to return all such items in the same condition as received.
- Do not wear or sit in costumes in the auditorium during a rehearsal.
- It is unprofessional to be seen publicly in make-up or costume except on the stage or on set.
- If wearing a costume of full length or with a train, lift it clear of the floor in corridors and in the wings.

COSTUMES OR PROPS BORROWING FOR CLASSWORK

A selection of rehearsal shoes, accessories and small hand props are available for students for classwork. The costume store is located in the costume corridor next to Costume 3 and is supervised by Robin Monkhouse.

Rehearsal costumes remain the responsibility of the individual student, unless of an unusual nature (i.e. corsets, difficult footwear, or military greatcoat) in which case NIDA will supply them.

All loans are to be returned at the completion of the exercise. Failure to do so may result in hiring privileges being revoked.
HAIRDRESSING

NIDA will not meet the costs of hairdressing for students who independently decide to alter their hairstyles or colour for a production. From time to time Acting students may be asked to alter their hairstyle or colour for a particular production following consultation between the student and director of the production, the designer, Head, Design, Head, Acting and the Production Manager.

In this case the costs will be met by the production budget and the student will be directed to a designated hairstylist. Acting students do not have to agree to change their hairstyle or hair colour.

FOOD OR DRINK

No food or drink is to be brought or consumed:

→ backstage, including dressing rooms
→ on stage, except as required by the production
→ in the auditorium except during protracted rehearsals and only with the express permission of the Stage Manager or Deputy Stage Manager; if permission is granted, all rubbish must be removed.

OPEN DRESS REHEARSALS

Attendance at open dress rehearsals is only available for NIDA staff and students. As an open dress rehearsal is in fact a performance, punctuality is important and the normal courtesies of theatre attendance are to be observed.

PRODUCTION MEETINGS

In addition to concept and design meetings, an initial production meeting is held prior to the first rehearsal. The model, working drawings, and costume renderings, will be presented to the crew and teaching staff and all settings discussed. The costume designs and props list will be analysed, the Lighting and Sound Designers will discuss matters affecting their departments and anything else relevant to the production will be dealt with. Subsequently, weekly production meetings will be held, usually during the lunch hour or after rehearsal.

PERFORMANCE GUIDELINES FOR CAST AND CREW

→ All student members of a company (actors and technical crew) must sign the performance attendance sheet, which is posted on the backstage noticeboard no later than the half hour call.
→ All actors and technical crew must use the stage door entrance to the theatre. Cast and crew are not permitted in the foyers or other FOH areas from an hour prior to curtain up.
→ As a general rule, students should not use the foyer areas as a green room during technical rehearsals and on days of performance.
→ Cast and crew must remain in the theatre from the half hour call until the curtain is down, unless permission is given by the Stage Manager, or as part of the action of the production.
→ Guests and friends may be met only in the theatre foyer after the performance and are NOT permitted in the backstage or dressing room areas at any time.
→ Members of the cast are not permitted to go onto the set during a set-up period or prior to a beginners call without the permission of the Stage Manager or Deputy Stage Manager.
→ No actor should appear in costume or make-up at any time in the FOH or other public areas, unless it is part of the action.
→ No Stage Managers, Deputy Stage Managers, Lighting/Sound Operators or performance crew are to appear in any FOH areas unless suitably attired, and as part of their duties.
→ If a dressing room is provided with general ceiling illumination, it is not essential to leave make-up lights turned on continually once made up for the performance; such lights can be turned on again as required.
→ No staff or student, unless working on the production currently occupying the theatre, is permitted in the backstage areas, including dressing rooms, at any time, this means before, during and after a performance or dress rehearsal.
→ Students NOT connected with a production must not assume that they can wander in and out of the theatre to observe technical and/ or dress rehearsals without permission from the Stage Manager on behalf of the Production’s Director.
→ Announcements will be posted on the notice boards advising when students may attend a dress rehearsal.
→ A final dress rehearsal must be treated as a performance; actors and technical crew must remain in their work areas during this time and not frequent the auditorium or other FOH areas except as required by the production.
→ Cast and crew at all times should be aware of the proximity of the dressing rooms to the stage and be quiet during the performance.
→ The dressing room should be cleared within 30 minutes of the conclusion of each performance.
→ Before leaving the theatre, all actors and technical crew are responsible for making sure that all rubbish is put into the bins provided backstage.
→ There is to be no writing of any description on dressing room mirrors.
→ The above procedures will also apply in any other venue being utilised for a NIDA production.
REHEARSALS

The Director of the production will be advised that NIDA has a strict policy on student attendance. Rehearsals finish at 6pm from Monday–Wednesday and on Fridays and at 6.30pm on Thursdays. Students must not be late for rehearsals. Students who are late may face disciplinary action. Rehearsals may not be extended without the permission of the NIDA Executive. It is possible to call two Saturday rehearsals, each of four hours duration. This includes technical and/or dress rehearsals.

Rehearsals are scheduled in advance and include wardrobe fittings and certain tutorials. Students of the second and third year of the Acting course are required to attend tutorials in a range of subjects including Music and Voice. Such tutorials may be scheduled during rehearsals and directors will be asked to release students for such tutorials. Tutorials will be scheduled by teaching staff in consultation with the Stage Manager of the production. During the production week, all work (including Directors’ and Designers’ productions note sessions) will cease by 10.45pm to allow students and staff to be off the premises by 11pm.

During the production week rehearsals and crew calls may be from 9am–11pm. The production schedule will be prepared by the Stage Manager in consultation with the Technical Theatre and Stage Management and the Production Manager. Show crew may work up to 10 late nights prior to but not including the open dress rehearsal at the discretion of their Department Supervisor and the Production Stage Manager. In exceptional circumstances, later calls may be made, but only with the permission of NIDA technical and teaching staff.

The Stage Manager is expected to schedule all work according to the provisions of current theatre awards.

SAFETY CODE FOR PRODUCTION AND PERFORMANCE

NIDA has adopted safety guidelines developed in 2001 by the Australian Entertainment Industry Association and the Media Entertainment Arts Alliance. The relevant Head of Department is responsible for the safety of his/her students including classes, exercises, productions and other activities. In regard to safety, the respective Heads of Department are responsible for the timely, competent and authorised supervision of their students, staff and contractors.

The principal responsibility for safety during productions and performances is the NIDA Production Manager supported by the respective Heads of Department. During NIDA performances the designated Stage Managers, under the supervision of the Head, Technical Theatre and Stage Management are responsible to take every reasonable provision for the safety and health of performers and crew working on the production, including through the development of risk assessments for specific situations.

Productions may call for activities such as smoking, nudity, simulated sexual acts or demanding physical activities. Regardless of whether or not these are mentioned in the script, the Production Stage Manager or Head of Department is required to report these to the Producer, NIDA Theatres who may refer them to Learning and Teaching for consideration as to whether they will proceed.

The Head of Department will ensure that details of all accidents are reported according to the guidelines set out in the Work, Health, Safety and Environment Policy.

SEX AND VIOLENCE

NIDA does not sanction exploitative drama in any form, but some plays, require the simulation of sex and violence.

Screen work also requires simulation of both sex and violence in a professional context on a ‘closed set’.

NIDA promotes students to challenge themselves by undertaking a range of roles and learning experiences, and provides frameworks and support mechanisms to do so.

SMOKING IN PLAY PRODUCTIONS

It may be important for reasons of artistic authenticity, integrity and a creator’s dramatic intent that a student actor smoke in character for a play or other public performance. Whilst the NIDA Executive prefers that smoking is avoided if possible if a play requires smoking for artistic reasons only the use of a theatrical electronic cigarettes is allowed. Smoking of cigarettes, herbal cigarettes or standard e-cigarettes cigars, pipes is not permitted. NIDA’s smoking policy is outlined in the NIDA Work, Health and Safety Handbook 2017.
TICKETS TO NIDA PRODUCTIONS

NIDA follows professional practice in all areas. Tickets are required for attendance at all performances at NIDA including open dress rehearsals. Access will not be permitted without a ticket.

COMPANY TICKETS – FOR PRODUCTIONS ON WHICH STUDENTS ARE WORKING

Cast and crew members of each production are entitled to two complimentary tickets for the production they are working on for two guests to see a nominated performance, subject to availability.

Tickets are not normally available for opening night, as priority goes to NIDA’s invited guests. Senior creative and production team members (Stage Managers, Lighting Designers, Supervisors) may request their complimentary tickets for opening night, subject to availability, but they should expect that these will not be available in the smaller venues (Playhouse, Space, Studio Theatre).

All company ticket requests must be submitted to the production’s Stage Manager by the specified date. Box office only accepts student complimentary ticket requests from the Stage Manager. Tickets are the responsibility of the individual students who ordered them and it is highly recommended that students check their tickets and advise box office immediately if there are any problems. It is also recommended that company members distribute these tickets in advance to any family or friends that may be using them to avoid queuing at the box office on the night.

Occasionally additional tickets to performances of productions become available that students may access. If this is the case Venue Management will inform the relevant Stage Manager a few days in advance with the details of the number of tickets available, and how they may be booked.

STUDENT TICKETS FOR PRODUCTIONS ON WHICH STUDENTS ARE NOT WORKING

Students are timetabled to attend the second and third year productions on which they are not working, and in most instances this will be a ticket to attend an open dress rehearsal. Only one ticket per student is available. This information will be published on notice boards, including on myNIDA. Students must attend the performance allocated to them. If students are unable to attend their allocated performance, changes of dates (subject to valid reasons) must be approved in writing on the appropriate form by the Head of Department. Students must take their signed form to the box office. A new ticket will only be issued subject to availability.

Occasionally additional tickets become available to enable students to see a production for a second time. If this is the case, information will be published on notice boards.

TICKET COLLECTION

For open dress rehearsals/closed NIDA performances ‘Admit One’ tickets are available for collection from reception from 6pm on the evening of a performance. For all other performances Ticketek tickets are distributed during class and rehearsal time during the week before the performance. If a student is unavailable to take delivery of their tickets, these will be available from the box office for collection from two hours prior to the commencement of the performance. If collecting tickets on the performance night, students are strongly encouraged to collect no later than 30 minutes prior to performance time. Tickets not collected by this time may be released for sale.

OTHER INFORMATION

Standard industry practice is that there are no refunds or exchanges. It is the responsibility of students to ensure that dates and performance times selected are correct. Only in extraordinary circumstances will an exchange be made. Once tickets are processed, any exchange will incur a $2 handling fee per ticket, payable to the box office. If students are unable to attend performances for which tickets are held, it is requested that they advise box office at least 48 hours in advance, as a matter of courtesy.

Open dress rehearsals are closed to the general public.

USHERING

All NIDA students including Masters students are required to work as ushers on NIDA productions at various times in the year. Information and training will be given at the appropriate time.
NIDA AND UNSW FACILITIES AND SERVICES

Although NIDA is an independent provider of education and training, it has a close relationship with UNSW. NIDA students can access services at UNSW, some of which are included in the following pages.

A map of the UNSW campus can be found at facilities.unsw.edu.au/node/50.

A SHARED CAMPUS – EXTERNAL AND COMMERCIAL HIRES AND OTHER USERS OF NIDA SPACES

Other users of NIDA venues include NIDA Open and NIDA Corporate. NIDA Open and NIDA Corporate are an integral part of NIDA and provide employment for many NIDA graduates. It is important that students respect the rights of NIDA Open and NIDA Corporate staff, students and clients.

There is a set inventory of equipment and furniture for each space. No equipment or furniture should be moved from a space without the permission of the staff member responsible for the space. Any equipment or furniture so removed must be returned as soon as possible. All furniture should be used for its intended purposes only. For example, chairs must not be used instead of a step ladder.

NIDA also hires out the theatres and other facilities to external users on a commercial basis, when those spaces are not being used for NIDA purposes. When external users hire NIDA facilities, students must be mindful of the hirer’s rights to privacy and exclusivity of the hired space. When a hire is undertaken in a common area of NIDA (such as a function in the Nancy Fairfax Foyer), students are requested to avoid using the hired area if possible. All students should respect the shared nature of the campus and conduct themselves professional and with courtesy in the common areas, including with regards to their dress and behaviour.

All students are responsible to their Head of Department for maintaining their teaching and workspace; rooms are to be left in a safe, tidy and clean condition.

Eating and drinking (apart from water in a plastic container) is not permitted in classrooms, workshops, theatres, rehearsal rooms, or any teaching space.

ACCESSING THE NIDA BUILDING DURING NORMAL HOURS

Normal hours for students of access are 8.15am–8pm, Monday–Friday in semester/term time. During these hours the Reception desk is staffed. All staff and students are issued with a combined NIDA identification, security and library card, which is required for internal access during normal opening hours.

ACCESSING THE NIDA BUILDING AFTER HOURS

After-hours access times are 8pm–11pm, Monday–Friday and 9am–5pm on Saturday. Unless prior permission is given, access to the NIDA building is not normally permitted on Sundays with the exception of NIDA Open activities. Access to the building after hours is via the security locked doors.

Rooms not being utilised after 8pm will be locked by the Fire Warden if they are not occupied or booked in the venue reservations system (refer to Coordinator, Learning and Teaching) or in the after-hours register.

The relevant department is responsible for locking up and securing departmental areas, turning off lights and heaters and ensuring that no hazardous situations exist at the conclusion of normal activities.

PROJECTS/EXERCISES AND PRODUCTION WORK INCLUDING REHEARSALS

After-hours access in term time for projects/exercises, rehearsals, bump-ins, plots, technical rehearsals, performances and bump-outs will be as detailed in the production schedule prepared by the Production Stage Manager.

Exercise and production-specific schedules will be prepared by the relevant Head of Department/Production Stage Manager and recorded in the venue reservations system by the Coordinator, Learning and Teaching.

The Head of Department for a student project or Stage Manager of a production is responsible for scheduling access to the building for all students required, including for rehearsals and associated activities and for ensuring all students involved in the production sign on at the beginning of their ‘call’.

The Head of Department/Stage Manager is responsible for locking up and securing theatres and rehearsal areas, turning off lights and heaters and ensuring that no hazardous situations exist.

WORK IN THE PROPERTIES, SETS AND WORKSHOP AREAS AFTER HOURS

After-hours access must be approved by the Production Manager in consultation with the Heads of Courses. The properties and sets workshops are normally available from 9am–1pm and 2–6pm, Monday–Friday only under supervision.

MUSIC LAB

The Music Lab is located on the first floor corridor near to the Lighting Studio. There are six computer stations which are to be used for the sole purpose of music production and editing. Students can check availability and book a station by using the student room booking folder at reception. The lab is generally accessible to students after 2pm. Should a student wish to use the lab before 2pm they must first consult Learning and Teaching to ensure it is not being used for classes. The Music Lab can be unlocked using a student security card but if access to the equipment locker is needed students will need to sign for a key at reception.
MUSIC PRACTICE ROOM
There are five music practice rooms located in the Parade Theatre basement. These small rooms are used mainly for voice tutorials but can be booked by students if available. To check availability and make a booking please see Learning and Teaching. The rooms are kept locked when not in use and keys must be signed out at reception to gain access.

ROOM BOOKINGS FOR AFTER HOURS USE
Students may book rehearsal room, tutorial rooms and studios after hours for individual preparation of class work, project work and presentations. The teaching program, approved after hours rehearsals, outside hirers, movement pieces, NIDA Open and NIDA Corporate have priority over student bookings.

If available rooms may be booked by students in term time:

**Monday–Friday: 6–10pm**

**Saturday: 9am–5pm**

There is a limit of two hours for each booking to maximise availability. All bookings are to be made at reception. Booking forms will be placed at reception on Friday afternoon for the following week. Students making a booking must leave their name and a contact telephone number on the schedule.

ACCESSING THE NIDA BUILDING IN HOLIDAY PERIODS
The NIDA building is usually open between 8.30am and 5pm in holiday periods. Access for full-time students, particularly after-hours access, is subject to the circumstances at the time. NIDA is usually closed to full-time students on Sundays.

It is the students’ responsibility to confirm the hours of opening of the NIDA building during holiday periods. NIDA Open and NIDA Corporate have priority for booking of spaces, including rehearsal rooms, over holiday periods.

ACCOMMODATION
Students are responsible for arranging their own accommodation. Students requiring off-campus accommodation may use the range of accommodation options available through UNSW. Students may also seek on-campus accommodation in colleges and apartments of UNSW. Go to www.rc.unsw.edu.au for further information.

Accommodation in the immediate vicinity of NIDA is not usually easy to find at short notice, and can be expensive. During the first three months of the year demand for accommodation close to UNSW and NIDA is very high. Students should allow at least one to two weeks to find accommodation before term begins.

Other NIDA students may have accommodation available in shared houses and many will have provided these details to NIDA. This information is posted to myNIDA.

BOOKSHOP – UNSW
The textbooks set for NIDA courses may be purchased from the UNSW bookshop on campus which is open 9am–6pm Monday–Friday and 10am–2pm Saturday (phone 02 9385 6622). IT FACILITIES
A computer laboratory is located on the first floor and comprises:

→ A multimedia editing facility comprising 17 Mac computers installed with Final Cut Pro and Logic media editing software and Vectorworks design software. These facilities are used for teaching, to support audio-visual and video projects and to support the production and event program. Student access to these facilities is by arrangement with the Audio and Video Supervisor or the relevant teacher.
A Computer-Aided Design (CAD) Studio comprising 17 PCs installed with relevant theatrical design software and a networked print server. Design for Performance, Technical Theatre and Stage Management, Costume and Properties and Objects students have priority access to the CAD Studio. Other NIDA students may access the CAD Studio and print server after hours or when classes are not being held.

Access to the equipment in the multimedia and CAD Studios is based on students following the Procedures for Use for each of these facilities, which are provided to students entitled to access the equipment at the time of their induction into the facilities.

Please note use of these facilities will be at the student’s own risk. NIDA takes no responsibility for lost data. No data can be stored on computer hard drives. Any student work to be saved must be to an external storage medium. All Laboratory computers will be erased/formatted at the end of each month or as required for maintenance purposes without prior notice. All fulltime students are provided with 15 GB of NIDA server storage and this disk space can be accessed via all Laboratory, Library, Rehearsal Room/AV computers and online from anywhere via iFILE (https://iFile.nida.edu.au). Printing is provided to all full time students free of charge in all student areas except for the Library (paid printing service). Printing instructions are available on myNIDA. All student printing is monitored and any large printing jobs are to be notified to IT department in advance.

Any problems should be addressed to the Audio and Video Supervisor or the IT Department.

IT HELP DESK
All IT requests are submitted through iHELP prior to visiting IT in person. To log in to the helpdesk, go to helpdesk.nida.edu.au and log in using student username and password.

IT MAINTENANCE
NIDA’s IT Department is available to assist with issues related to NIDA’s network and software and minor operational problems. The department is not available to assist with problems associated with students’ personal computers.

WIRELESS (iWIRE)
Wireless access is available in most parts of the NIDA building through 55 access points. A student with a laptop (running Win 7 or higher) or a MacBook (running OSX 10.8 or higher) or a tablet that is less than three years old with wireless facility that complies with 802.11a/b/g/n WPA enterprise security can access the NIDA wireless network (iWIRE).

ENERGY
The costs for electricity and natural gas services are extremely high both in financial and global greenhouse gas emissions terms. Students can assist NIDA in reducing its carbon footprint by ensuring that all lights, fans, power and heaters are turned off immediately after an activity has concluded or a room vacated. At all times, lighting should be held to levels that are minimally appropriate to such activity but without compromising either health or safety.

ENVIRONMENT
Each year NIDA uses renewable and non-renewable natural resources that impact on the environment we all share. Students can contribute to a more sustainable NIDA and environment by helping reduce NIDA’s environmental footprint and operating costs. The main targets are recycling and reuse of materials, and reductions in the usage of all forms of energy and greenhouse gas emissions, conservation of natural resources such as water, and waste going to landfill.

Please do not wash chemicals or paints down the drain; use the paint recycling facility made available to you. Help recycle paper, cardboard, glass and PET by correctly using the available facilities. Boxes should be flat packed before being put out for recycling. Used printer, fax and copier toner cartridges should be left in the recycle box in the Learning and Teaching photocopy room. Glass and plastic (PET) can also be recycled in the bins provided adjacent to the Green Room and the bar in the Nancy Fairfax Foyer.

GREEN ROOM
The students’ Green Room is located on the first floor of the NIDA Stage One Building. Students are able to prepare food in the Green Room and are also responsible for maintaining the space in a clean and tidy condition, including unpacking the dishwasher when needed. Of particular importance is the need to regularly wash up, clean the catering items and clean the fridge.

Students need to take care when cooking in the Green Room, including using the fan in the range hood above the stove when cooking.

HEALTH AND WELFARE SERVICES

UNSW Web: arc.unsw.edu.au
The Kingsford Legal Centre is run by the UNSW Law Faculty and is available to all UNSW students. The resources of the Kingsford Legal Centre may be made available to NIDA students under certain circumstances. It is funded by UNSW and other legal groups and is an attachment of the Law School of UNSW. Eligibility criteria include residence in the area and inability to afford a solicitor. The centre handles most general legal work and specialises in the area of discrimination. To arrange an appointment, contact or visit the office at:

**The Law Building, Building F8, Union Road**

*(Access Gate 2 off High Street)*  
**Phone:** 02 9385 9566  
**Email:** legal@unsw.edu.au  
**Web:** law.unsw.edu.au

**LOCKERS**

Do not leave valuables in change rooms or place valuables in lockers. There are lockers available to students on request and a key will be provided during the first week of term.

Students must remove all goods from change rooms and lockers at the end of the NIDA year. Graduating students must return their key to the Learning and Teaching office by the end of their final term or semester. After students have left, any remaining goods will be removed and will be disposed of.

**LOST PROPERTY**

All initial inquiries regarding lost property should be made to Reception. If NIDA does not have the lost property, then inquiries should be made to the Lost Property Office of UNSW. The office is located in Lvl 2, Mathews Building, Upper Campus. If a student wishes to report the loss to the police, the nearest station is Maroubra at 136 Maroubra Rd, Maroubra, phone 02 9349 9299.

Any person finding property, which is assumed to be lost or stolen, should hand it to Reception without delay.

**MAIL**

Student mail may be addressed to NIDA. The postal address is:

**c/- NIDA UNSW**  
**SYDNEY NSW 2052**

Mail not addressed as above may be confused with UNSW mail and may not reach its destination. Student Mail is collected from the Learning and Teaching Office. No responsibility can be accepted by NIDA for lost mail, including packages. Students wanting to mail items out relating to official NIDA business may do so by handing the official NIDA envelope to the staff at reception, for placement in the mailbag. Personal items may only be mailed if they carry a valid Australian stamp.

**MAINTENANCE**

NIDA is responsible for all maintenance through its annual operating budget. If possible, please log on to iHelp to report any items requiring maintenance. Otherwise, please report problems to reception.

**MONEY AND VALUABLES**

No responsibility can be accepted by NIDA for any losses or theft of money or possessions.

Students are urged to carry money, purses, wallets, jewellery and other valuable possessions with them. These items should not be left in lockers, class or changing rooms. Clearly label all items, have equipment engraved if possible, record any serial numbers and if possible, do not bring valuable items with you.

**MOTOR VEHICLES**

NIDA owns two vehicles available for NIDA business only, a one-ton utility and a long wheelbase Hi Ace van.

Bookings can be made through reception via email, with the email subject heading ‘Vehicle Booking’. The email should contain the driver’s name, mobile number, date and duration of booking.

Drivers must hold a current driver’s licence and this must be presented when collecting keys from reception. If applicable, it is the responsibility of the driver to display P plates.

The vehicles contain a log book, which must be completed by the driver at the end of each booking, and a fuel card for the purchase of petrol. The fuel card is valid at any service station displaying the orange and black Fleet Card symbol. When purchasing fuel you will be required to quote the odometer reading and you will receive a receipt which you should return to the Production Manager.

Any fines for traffic or parking offences are the responsibility of the driver. All incidents, mechanical problems or damage must be reported to the Production Manager as soon as possible.

**PIANOS**

NIDA owns a number of grand and upright pianos for classroom, rehearsal and performance use. These are valuable items of equipment and must be treated with care to ensure the quality of the instrument is maintained and to ensure they remain in tune as long as possible. A piano is also heavy and awkward to move and, if moved incorrectly, could fall and be damaged and, more significantly, cause injury to those moving it. Therefore any piano moves must be supervised by a responsible staff supervisor.

→ No piano is to be moved unless supervisory staff are present.

→ No food or drink should be consumed while using a piano.
OTHER NIDA PROGRAMS

PARKING

BICYCLES
There is a bicycle storage compound at the northern end of the building near the service station. Anyone using this facility should provide his or her own padlock and chain to secure their bicycle. Students need a key to access the compound. This can be requested from Learning and Teaching. NIDA cannot be held responsible for the theft of bicycles.

MOTOR VEHICLES AND MOTOR CYCLES
There are no parking spaces available for student motor vehicles on NIDA property. UNSW does not allow any vehicle to park without a permit and does not issue parking permits to students, with the exception of a permit for a motorcycle.

Of particular importance is the forecourt area of NIDA adjacent to the northern car park, and the access road to the South. These are the only access points for emergency services as well as the day to day deliveries of goods to NIDA and access by maintenance contractors. No vehicle is to be parked at any time in these areas.

There is no student parking permitted in the NIDA loading dock and laneway that runs along the southern side of the building. These parking restrictions apply 24 hours a day seven days a week regardless of the posted parking signs. Any vehicle parked in the laneway will be subject to a parking infringement notice and/or towing without warning.

Vehicles are permitted in the laneway only for the purpose of promptly loading or unloading goods. If a student requires access to the laneway to load or unload goods, permission must first be obtained from the Venue Coordinator prior to the parking of the vehicle. Offending students will be subject to disciplinary action, in accordance with NIDA’s Misconduct Procedures.

Any student with a motorcycle who wishes to park on the University Campus can apply for a permit from FMASSIST, Lvl 2, Mathews Building, Upper Campus, University of New South Wales, 8am–4.30pm Monday–Friday, to park in allocated UNSW bays.

PERSONAL SECURITY
NIDA staff and students should be aware of issues of personal security when leaving NIDA to travel home, particularly late at night. Students should try to walk as a group, rather than alone in nearby streets at night. The University Security Service provides a range of security services including a Security Shuttle Bus service, which operates Monday–Friday between 6pm and 11.30pm with stops on campus and routes through Randwick. There is a bus stop for the Security Shuttle Bus Service on Day Avenue, close to NIDA.

For more details on the night shuttle bus go to http://www.facilities.unsw.edu.au/node/118/#nightshuttlebus.

UNSW Security provides a safety escort at night service for staff and students to bus stops and cars in nearby locations. The Security Service also maintains the Lighted Safety Corridor and a network of Help Points on campus.

These services are available for NIDA students. Do not hesitate to use these services. The shuttle bus timetable is available at reception.

Call 9385 6000 for the safety escort service. The Security Service is available 24 hours per day, seven days a week, with an automatic connection to Security at a Help Point. Alternatively, use the free call number 1800 626 003 or 9385 6000.

PHOTOGRAPHS OF PRODUCTIONS
Students are granted access to an online photo store, from which they can directly download photographs of any production they have been involved in during their time at NIDA. Please see the Undergraduate Course Coordinator regarding queries about photography.

See page 21 for conditions of use of NIDA photos.

PRODUCTION EQUIPMENT
BORROWING
Equipment, including video equipment, must not be used outside NIDA without the permission of the Head of Department; an insurance notification form must be completed before any video equipment leaves NIDA premises.

→ Production equipment should be booked through the NIDA booking system at least seven days in advance to ensure that the equipment is available and operational.

→ Bookings need to include all necessary cables and ancillary equipment; approval may be required from the Head of Department.

→ It is preferred that all requests for audio visual equipment to be set up are booked at least five days in advance to av@nida.edu.au.

→ Students are required to sign when receiving the equipment.

→ Students borrowing equipment are responsible for its return and the equipment will not be deemed to have been returned until it has been signed back in.

→ Private/home use of video cameras is not permitted.

→ A list of production equipment is available from the Technical Services Department, listing the equipment that is standard for each venue; additional equipment in store may be available for productions but needs to be requested and booked.

→ Standard equipment for each theatre must not leave that venue without the permission of the Technical Manager.

→ No equipment will be supplied without a booking.

→ In the allocation of equipment, third year productions will generally take precedence over second year productions.

It is the student’s responsibility to report immediately any damaged or faulty equipment to the Technical Manager.
CONSUMABLES
Consumables may be charged to a department or production after negotiation with Head of Department. Production students working on productions must ensure appropriate spares are on hand during a production.

SECURITY
Heads of Departments and teaching staff are responsible as delegated for ensuring that all teaching spaces, studios and workshops are locked at the end of each use. Any students making after hours use of any space will be responsible for turning off lights, heaters, fans and sound systems, securing windows, moving chairs and tables to the side walls, ensuring that no hazardous situations exist and locking doors when they leave.

This also includes securing the appropriate crossover door and securing the green room, staff room and change rooms as required. UNSW Security Service provides random patrols in the evenings and on weekends. Students are reminded to carry NIDA identification cards at all times as the security guards may require proof of identity after hours. Any problems concerning security or keys should be referred to the Director, Operations.

Random patrols are conducted by Operations staff and a comprehensive patrol occurs before 11pm. Failure to observe the rules and regulations concerning access and security will result in withdrawal of access privileges.

Video CCTV surveillance cameras are in operation 24 hours a day.

SPORT AND RECREATION
The Fitness and Aquatic Centre, UNSW seeks ways to encourage students and staff to include exercise as an essential part of their daily lives. Recreational programs and facilities are provided for students and staff. The centre provides squash courts, a 50-metre indoor heated swimming pool, basketball court, indoor cycling studio and fitness studio. The program of classes includes different types of aerobics, pump, circuits, Pilates, swimming and yoga. NIDA students can join the Fitness and Aquatic Centre at the UNSW student rate. The centre is located on the Lower Campus adjacent to High Street.

Phone 02 9385 4881, unsw-ymca.org.au

STANDARD ROOM SET-UP
NIDA has a standard room set-up for each rehearsal and tutorial room and the Lighting Studio. In order to ensure the efficient use of space, students and staff must return the room to the set-up in which it was found.

STUDENT CARD
All staff and students are issued with a combined security, identification and NIDA library card, which is required for internal access during term opening hours. This card will be programmed to provide access from 8.15am–10.50pm Monday–Friday and from 8.30am–5pm on Saturdays.

The card is official confirmation of your status as a full-time student at a tertiary institution. Presentation of this card should be sufficient to secure a student concession from appropriate venues and outlets.

Please note, however, that the student card will not be accepted as a substitute for the appropriate travel card, nor for a UNSW library card.

STUDENT COUNCIL OF NIDA (SCON)
The Student Council of NIDA (SCON) is run by a student committee, elected by the student body. The committee comprises second-year students from each undergraduate course, one MFA student representative and one Vocational student who represent the student body at meetings with the senior staff of NIDA. It is an association representing all NIDA students. In order to receive all the benefits of SCON, students have the option of joining and paying an annual membership fee. A member of SCON has a position on the NIDA Academic Board.

The tasks and aims of SCON are to:

→ Allow the student body representatives to participate in any discussions and decisions on behalf of their peers and to keep the student body appropriately informed.

→ Give students an arena to discuss, confidentially with their peers, any suggestions, problems, grievances, opportunities or interests which may arise while a student at NIDA.

→ Promote a positive relationship between NIDA employees, staff and students of all courses.

→ Give students moral and technical support in regard to any disciplinary or assessment disputes.

→ Promote friendship, respect and support among students at NIDA through organising events that bring the student body together.

Enquiries: SCON President

TRAVEL CONCESSIONS
Australian students studying full-time are eligible to apply for a NSW Tertiary Student Concession Card and/or concession Opal card. All students being issued with a travel concession must fill in an online application form which will be provided as part of your enrolment pack or by Learning and Teaching.
You are eligible for a NSW Tertiary Student Concession card if:

→ You reside in New South Wales.
→ You are a full-time student enrolled on an internal basis (except where a person, by reason of disability, is enrolled on a part-time basis and/or on an external basis).
→ You do not receive any remuneration (scholarships and allowances such as Austudy and Youth Allowance are not counted as remuneration).

Please ensure you meet the eligibility criteria before signing and returning the form to NIDA. Providing false information or any breach of the conditions may incur penalties.

Step 2: Apply online at opal.com.au.
Step 3: NIDA confirms your eligibility.
Step 4: Transport NSW sends out your card to the address you gave them when you applied.

TELEPHONES
Telephone messages for students will not be taken at the NIDA switchboard except in cases of emergency.

Telephones are not for personal use. As a general rule, telephones in teaching areas can be used to reach other extensions within the system, but cannot make outside calls. In addition, these phones are programmed so that incoming calls cannot be received to avoid disturbance of classes and rehearsals.

Emergency calls to police, fire and ambulance can be made from internal phones by dialling 888 or dial '0' to get an external line, then '000'.

TICKETS TO PROFESSIONAL PRODUCTIONS IN SYDNEY – THE GREEN BOOK
Professional performing arts companies in Sydney are generous with offers of complimentary or concession tickets for their productions. Details of these offers are held in the green folder at reception.

NIDA is very fortunate to secure these tickets, so as a matter of professional courtesy, students must attend the performance for which they have submitted their name. If you are unable to attend at the last minute, you must advise the box office of the theatre company. The dress code for attendance at these productions is smart casual.

VISITORS TO NIDA
Any requests from non-staff or students of NIDA to (a) take photos, (b) observe (c) document, (d) do work experience or (e) other activity that involves them in any form with NIDA (classes, rehearsals, production work, technical or dress rehearsals) must be referred for permission in writing in advance to the Director, Learning and Teaching.

Issues of copyright, legal liability and insurance, amongst others, are considered before permission is determined. Students should, in the first instance, direct their request to their Head of Department who will then refer the matter to the Director, Learning and Teaching.

All visitors to NIDA beyond the public foyers must be escorted. This is for safety, security, insurance and emergency purposes. Do not leave visitors unattended. Escort visitors from the premises should an emergency arise.
GOVERNANCE

NIDA is a not-for-profit public company limited by guarantee, with a Board of Directors. The Board of Directors appoints the Academic Board, which is responsible for overseeing NIDA’s academic program. Kate Cherry is the Director/Chief Executive Officer of NIDA.

For details of the members of the NIDA Board of Directors and of the Academic Board refer to the ‘About NIDA’ pages on the NIDA website. The Academic Board’s purpose is to develop, monitor and support the educational and scholarly activities of NIDA.

GOVERNMENT SUPPORT

NIDA is supported by the Australian Government through the Ministry for the Arts. NIDA is an approved higher education provider under the Commonwealth Higher Education Support Act 2003, enabling eligible NIDA students to apply for FEE-HELP.

ACADEMIC GOVERNANCE – STUDENT INVOLVEMENT

THE DIRECTOR’S CONSULTATIVE COMMITTEE

The Director’s Consultative Committee includes the Director/CEO, senior staff and SCON representatives. The Director consults with students through this committee on matters such as policy, NIDA activities and NIDA’s relationship with the profession. It is also one of the means by which students may bring matters to the attention of the Board of Directors and/or the Academic Board.
