- Compliant with the National Code and the ESOS Act 2000.
- Compliant with the Higher Education Standards Framework.
- Designed to maintain the integrity and reputation of NIDA's accredited courses.
- Fair and equitable.

6. POLICY

6.1 Successful international applicants and deferral of an offer

6.1.1 Deferral of the offer of a place is not permitted. Successful applicants unable to take up an offer must re-apply for admission the following year. There is no guarantee of the offer of a place in a future year.

6.2 Deferral – enrolled and studying international students

6.2.1 Enrolled international students who have commenced their studies may be permitted to defer their studies under compassionate or compelling circumstances. Compassionate and compelling circumstances may include:

- Protracted illness.
- Family reasons.
- Obligations to military or extended jury service.

Compassionate or compelling circumstances are unusual or uncommon and could not be foreseen before the census date.

If students believe they meet the criteria for these circumstances, they must fill in an application to Defer stating reasons for deferring and include any relevant supporting documentation.

6.2.2 Deferments may only be granted for a maximum period of one year. No further deferrals will be granted if a student has already deferred admission for the maximum period of one year.

6.3 Approval of deferral can only be granted by the NIDA CEO or their nominated delegate.

6.4 Withdrawal from NIDA to transfer to another registered provider

6.4.1 Withdrawal to transfer timeframe

An international student may not withdraw to transfer to another registered provider within the first six (6) months of the commencement of the course without requesting a release letter. The International Student Transfer Policy covers the process of withdrawing to attend studies at another registered provider.

6.4.2 Withdrawing before the census date

Students must complete the Withdrawal Form on the NIDA website. All fees, loans and fines must be paid, all borrowed books and journals returned to the NIDA Library and the University of New South Wales Library, and all equipment returned. The relevant course census date is the last date for students to withdraw from NIDA and receive a refund of any tuition fees for which they are eligible.

6.4.3 Withdrawing after the census date

- If a student withdraws after the census date, the student is responsible for the tuition fees for the study period. Students that have withdrawn after the census date are not eligible for a refund.
- An undergraduate student will have "Withdrawn" registered on their academic transcript providing the withdrawal takes place no later than one calendar month after the census date in the relevant semester. If a student withdraws after that date, a "fail" result will be recorded on the transcript for the relevant subject/s. Applications for refunds post census date are governed by the NIDA refund policy.

All international student enrolment status changes will be reported via PRISMS and may impact a student's visa. Students must contact the Department of Home Affairs to seek advice on their Student Visa status.
