1. SCOPE OF POLICY

This policy applies to:

- a. All fees inclusive of tuition, student contribution amounts, student services, amenities and goods and services.
- b. All domestic students enrolled in accredited higher education or vocational courses.
- c. All domestic students with prior enrolment, withdrawn or deferred, where the relevant fee liability was incurred while they were enrolled or is directly related to their enrolment.

The Director Learning and Innovation is responsible for:

- Ensuring the accessibility of this policy by staff and students
- Implementation of this policy.

2. PRINCIPLES

1. Under the Higher Education Support Act 2003 (HESA), NIDA is required to charge and subsequently report student contribution amounts and tuition fees.
2. Student contribution amounts are payable by Commonwealth supported students. The Department of Education publishes the maximum student contribution amounts for Commonwealth supported places. Student contribution amounts are approved by the Board of Directors and are published annually in advance of the commencement of an enrolment period.
3. NIDA sets tuition fees for fee-paying students who are not commonwealth supported. When

setting tuition fees NIDA considers the cost of delivery of the course as well as strategic and business considerations. Tuition fees are approved by the Board of Directors and are published annually in advance of the commencement of an enrolment period.

4. If a student's residency status changes NIDA will apply any relevant adjustment to the next scheduled payment after notification.
5. NIDA will endeavour to support students whose study has been impacted by exceptional circumstances.
6. NIDA will manage complaints and appeals in a timely manner in alignment with the principles of natural justice, regulatory requirements and the Non-Academic Complaints and Appeals for Students Policy.
7. This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australian Consumer Law.

3. POLICY

Tuition fees apply to vocational education courses and higher education courses for students who are not allocated a Commonwealth Supported Place.

NIDA receives an allocation of Commonwealth Supported Places from the Department of Education. Allocation of places will be in accordance with the following principles:

- (i) Priority will be given to students in Bachelor of Fine Arts courses.
- (ii) Where there is not sufficient places for all enrolled Bachelor of Fine Arts students, the methodology for allocating places will be approved by the Chair and Deputy Chairs of the NIDA Board of Directors upon the recommendation of the Executive. Any methodology will comply with legislative requirements.

3.1 Payment of Tuition fees – Domestic Students

- 3.1.1 Higher education students are financially liable for all subjects in which they are enrolled as at the census date for that subject. Vocational education and training students are liable for VET tuition fees according to the VET term census date.
- 3.1.2 Tuition fees are payable upfront on a per study period basis and must be paid within 28 days of invoicing; or Eligible students may borrow all or part of their tuition fees through FEE HELP or VET Student Loans. Commonwealth Supported Students may defer their student contribution under HECS-HELP.
- 3.1.3 Eligible students entering designated Commonwealth supported programs must submit a *Request for Commonwealth Support* and *HECS-HELP* form by the first census date of the semester.
- 3.1.4 Commonwealth supported students who fail to either pay their student contribution or provide their tax file number by the census date will have their enrolment cancelled in line with HESA requirements. However, they can continue as a student for the semester if they pay the NIDA domestic undergraduate tuition fee rate.
- 3.1.5 Non-Commonwealth supported domestic students who wish to access FEE-HELP must submit a *Request for FEE-HELP* loan form by the first census date of the semester. Students wanting to access a VET Student Loan (VSL) must submit an electronic Commonwealth Assistance Form (eCAF) at the start of their course, before the first census date of the course.
- 3.1.6 Non-commonwealth supported domestic students paying upfront who are experiencing financial hardship may apply to the Head of Student Services and Operations for a payment plan. Payment plans are provided at the discretion of NIDA management.
- 3.1.7 All students who fail and are required to repeat a subject are obliged to pay for both the first

and any further attempts at that subject.

- 3.2.1 A domestic student, who lodges a written request for withdrawal from a Unit of Study on or before the published census date, will be withdrawn without financial penalty from the Unit of Study in which he or she is enrolled.

- 3.2.3 A student can apply for a refund of upfront tuition fees or to have their HECS-HELP, FEE-HELP or VET Student Loan balance removed or re-credited for an incomplete Unit of Study if the student withdraws or ceases their studies in that Unit of Study after the census date because of exceptional circumstances, and as a consequence of these exceptional circumstances does not complete the requirements of the Unit of Study. Applications for refunds or recrediting of HECS-HELP, FEE-HELP or VET student loan balances must be made using the NIDA Application for Refund [eForm](#).

- a. Were beyond the student's control
 - b. Did not make their full impact on the student until on, or after, the census date; and
 - c. Made it impracticable for the student to complete the requirements for the Unit of Study during the period in which the student undertook or was to undertake the Unit of Study.
- 3.2.6 NIDA may waive the requirement for an application to be made before the end of the application period, on the ground that it would not be, or was not possible for the application to be made before the end of that period

- (i) NIDA, or a person acting on behalf of NIDA, engaged in unacceptable conduct in relation to the student's application for the VET student loan; or
 - (ii) NIDA has failed to comply with the Act on an instrument under the Act and the failure has adversely affected the student.
- 3.2.9 Applications for re-crediting under section 71 of the Act must be made within 5 years after the census day for the course, or the part of the course, concerned, or within that period as extended by the Secretary.

3.2.10 There is no charge for reconsideration or review of decisions, other than review by the Administrative Appeals Tribunal;

- (i) that the Secretary may re-credit a student's FEE HELP balance in relation to special circumstances if a course provider:
 - a. is unable to act or is being wound up or has been dissolved; or
 - b. has failed to act and the Secretary is satisfied that the failure is unreasonable.

3.3 Non-Payment of Fees

Students who are paying up-front fees, have outstanding tuition fees and do not have a payment plan in place will not be allowed to attend classes or take part in productions. Tuition fees that are outstanding beyond 90 days of invoicing may result in a student's enrolment being cancelled.

3.4 Debt and Indebtedness

Students with outstanding tuition fees or owing monies to the library for lost or non-returned books will not receive a statement of results, academic transcript and will not be able to graduate until all fees are paid.

All communication regarding fee related matters, including invoicing, receipting and refunds are managed by student email.
