There is no application fee in 2024.

Tuition Fees

For international students the 2025 annual tuition fee for Master of Fine Arts in all disciplines is AUD \$66,780.00.

Please note: Fees are reviewed annually and may increase each year.

International students must pay tuition fees upfront.

Upfront payments:

You can pay:

- In full per year, or
- Per semester

Payment

An international applicant who has been offered a place at NIDA must pay a deposit of 100% of the first study period's tuition fee upon being offered and accepting a place in a course.

The tuition payment for the course + Overseas Student Health Cover (OSHC) for the duration of enrolment are due on the submission of your completed enrolment documentation.

The subsequent payment of the tuition fees for each study period is due 2 weeks before the commencement of that study period in which you are enrolled. Payment can be made by credit card, direct deposit, or electronic funds transfer.

Overseas Student Health Cover (OSHC)

In addition to your tuition fees if you hold an international student visa, a condition of your visa is that you hold Overseas Student Health Cover (OSHC) for the duration of your visa.

To meet this requirement, you should pay for overseas student health cover (OSHC) for yourself and any family members who will live with you in Australia. The OSHC provides medical and hospital insurance. Students studying in Australia must satisfy the health requirements specified in the Migration regulations.

You will be asked to provide proof of this on your first day of school. This is also a condition of your visa. For more information go to: <https://immi.homeaffairs.gov.au/help-support/meeting-our-requirements/health/adequate-health-insurance>

For more information on studying in Australia as an international student, visit the Commonwealth Government website at <https://www.studyaustralia.gov.au/>

Census Dates

Census dates are the last date in a semester that you can withdraw without being liable for the semester tuition fees.

A commencing international student who withdraws from a course before midnight (Australian Eastern Standard time) on the census date of first semester will receive a refund of tuition fees paid less an administrative charge of \$300.

Please note: Fees are reviewed annually and may increase each year.

If you withdraw from the course before midnight on the census date of any semester, you will not be financially liable for fees due for that semester. If you withdraw from the course after the census date, you will still be liable for fees due for that semester.

The tuition fee and refund policy for international students is available at: <https://www.nida.edu.au/study/students/policies/>

The Census date occurs each study period. As a student, it is your responsibility to be aware of the Census date for each study period and confirming all your enrolment details before this date. It is also the last date that you can change your mind about studying without incurring academic penalty.

The 2025 census dates for the Master of Fine Arts are included in the course tuition summaries.

Additional Costs

Information Technology Recommendations

Students are required to have access to a Laptop (Windows 10 and later), MacBook (Mac OS 10.15 Catalina or later). All the devices should comply with 5ghz (dual band). All notebooks should be secured with a Kensington lock to help prevent theft.

Student Visa

International students are required to demonstrate and/or declare to the Department of Home Affairs that they have genuine access to sufficient funds to be granted a student visa.

All applicants who are being considered for a place must take part in the Genuine Temporary Entrant Requirements assessment. The GTE requirement is used by the Australian Government to ensure the student visa program is accessed by students who genuinely intend to stay in Australia temporarily for study purposes.

In addition to the audition/applications interview process before a formal offer can be made all short-listed international applicants for NIDA courses are required:

1. Complete a [Financial Declaration form](#).
2. Provide financial documents to prove financial support, and
3. Take part in an interview to complete their Genuine Temporary Entry (GTE) check.

Short listed international applicants will be contacted about a conditional offer and we will work with them to set up a suitable interview time.

GTE Interviews will be conducted by a member of NIDA's student engagement staff member. For more information, please see <https://www.nida.edu.au/study/students/international-students/>

The amount charged for the student visa application is dependent on which visa you are applying for. Please refer to the website of the Department of Home Affairs for visa information. <https://www.homeaffairs.gov.au/>

Applying for a Student Visa

A student visa application can be made once you have received a written offer from NIDA, accepted it and paid the 25% tuition deposit. For information on how to apply for a student visa go to the **Study Australia** website.

<https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-finder/study>

It is expected that all students will be available to start on the first day of the NIDA year, with the first week for new students being Orientation Week. If there is a valid reason, such as a visa issue, commencing students can seek permission to miss some or all of the first week, Orientation Week.

Only in the most exceptional circumstances will permission be given to start at NIDA at some other day at the beginning of the first term.

Cost of Living

The government estimates that you need approximately AUD \$28,000.00 - \$31,000.00 to cover living expenses in Sydney for each year of study. Please check <http://www.studyinaustralia.gov.au/global/live-in-australia/living-costs> for details of living cost break downs and actual estimates.

In addition, we recommend that you have at least AUD \$3500 to hand when you arrive to cover the initial costs of books, rental bond, and furniture.

These figures do not include large household items such as a refrigerator or a car. We recommend that you use public transport, as owning a car can be expensive and there is very limited parking near NIDA.

Acceptance of an Offer of Admission - Tuition Fee Deposit

International students are required to pay a tuition fee deposit of AUD\$22,260.00 (total amount of the first semester) by the due date in order to accept an offer of a place at NIDA. The balance of the tuition fees for the semester must be paid by the due date, which will be on the fee invoice.

Student Visa

On receipt of the deposit NIDA will issue a Confirmation of Enrolment for Overseas Students (CoE), which a student requires in order to apply for a student visa for travel and temporary residence in Australia.

Deferment

It is not possible to defer acceptance of an offer to enrol at NIDA. If an applicant is unable to accept an offer to commence at NIDA, it is necessary to apply again for admission in a subsequent year.

Health insurance – Overseas Student Health Cover

The Australian Government requires that student visa holders are covered by medical insurance (Overseas Student Health Cover) for the duration of their study in Australia. Students are responsible for obtaining their OSHC and must show proof of payment to NIDA at enrolment.

Payment of Tuition Fees

Tuition fees are charged on the basis of the units of study (subjects) in which the student is enrolled. Tuition fees are reviewed annually and will usually increase each subsequent year. Tuition fees must be paid by the due date and can be paid by electronic funds transfer to NIDA. All payments must be made in Australian dollars.

Non-payment of tuition fees

Failure to pay tuition fees by the due date may result in a student's enrolment being cancelled. Students who have a family member or organization, who has agreed to cover their tuition costs, must note that NIDA considers the student to be solely responsible for any financial liability to NIDA. Students experiencing difficulties with payment of tuition fees should speak to the Manager of Student Services. Students who do not pay their fees or have an overdue debt to NIDA will not have access to assessment results, NIDA facilities or official transcripts of results and will not be permitted to enrol in any subsequent semester or to graduate (whichever is applicable) until the debt has been cleared.

Change of Residency

A student, who is granted Australian permanent residency on or before the census date of a semester, may change their status to that of domestic student for that semester and subsequent semesters. The student must provide NIDA with proof of residency on or before the census date. A student, who is granted Australian permanent residency after the census date of a semester, is liable for international student fees for that

semester but is considered a domestic student for subsequent semesters. The student must provide NIDA with proof of residency on or before the census date of the subsequent semester.

Refund Policy – International Master of Fine Arts Students

An international student in a Master of Fine Arts course must always be financial. An invoice for payment will be issued before each semester commences.

Withdrawal Prior To Enrolment - Commencing International Students

A refund of all tuition fees paid, less an administrative charge of \$300, will be made if a student, who has accepted a place at NIDA, withdraws before enrolment.

A refund of all tuition fees paid will be made without an administrative charge if the student is not able to enrol in the course due to:

- not being granted a student visa or
- NIDA not being able to provide the course for which the offer has been made or
- Illness, or exceptional circumstances, for which documented evidence is provided. A refund request form must be submitted in order to enable the refund to be made.

Withdrawal after Enrolment and on or Before the Census Date – Commencing International Students

An international student in a Master of Fine Arts course, who withdraws from the course before the first census date, will receive a refund of tuition fees paid for that period less an administrative charge of \$300. Notice of withdrawal must be received by NIDA via the official withdrawal form on or before the required withdrawal date.

An international student in a Master of Fine Arts course, who withdraws from the course before the second or third census dates, will receive a refund of all tuition fees paid for the study period in which they withdraw. Notice of withdrawal must be received by NIDA via the official withdrawal form on or before the required withdrawal date.

Withdrawal after the census date – commencing and re-enrolling international students

An international student who withdraws from a course after the census date will not receive a refund of tuition fees paid for that semester. Any tuition fees that have been paid in advance for a subsequent semester will be refunded.

Refund of Tuition Fees – Special Circumstances

A student, who withdraws from a course after the census date of the semester, may apply to receive a refund of tuition fees paid for that semester on the basis of special circumstances.

Special circumstances are circumstances which:

- are beyond the student's control
- do not make their full impact on the student until on, or after, the census date; and make it impracticable for the student to complete the requirements for the course during the period in which the student undertook, or was to undertake the course

The student must provide independent supporting documentary evidence and demonstrate that there are special circumstances that meet this definition.

Refund Procedure – All Students

A refund request form must be submitted in order to enable the refund to be made. Refunds of tuition fees will be made within four weeks from the date of request or the date of clearance of the original payment, whichever is the later. Refunds will be paid in Australian dollars and are usually made by the original payment method to the person or account from which the original payment was received.

Consumer Protection

This policy does not remove the right to take further action under Australian consumer protection laws.

Withdrawing from NIDA

A student may withdraw from a course at any time by completing NIDA's official withdrawal form. All fees, loans and fines need to be paid, all borrowed books and journals returned to the NIDA Library and the University of New South Wales Library, and all equipment returned.

The relevant course census date is the last date for students to withdraw from NIDA and receive a refund of tuition fees for the period.

If a student withdraws after the census date, there will be no refund of fees.

A Master of Fine Arts student, who wishes to withdraw from a course after the census date, will have 'Withdrawn' recorded on their transcript, as long as the withdrawal takes place prior to 31 October in that year. If a student withdraws after that date, the transcript will record a result of 'Fail' for the relevant subjects.

Indebtedness to NIDA or UNSW

The Director of Learning & Innovations after proper notice, may withhold assessment results, prohibit re-enrolment, or refuse graduation to any student who is in debt to NIDA and/or UNSW. Indebtedness includes failure to pay any fee, fine, loan or other charge and failure to return all library books and other equipment. Under special circumstances, the CEO may waive or defer these matters.
